Created in 1990, **Vignobles Investissement** is the leading player in terms of large vineyard transactions in Languedoc-Roussillon and the Rhône Valley.

Of pure Mediterranean stock, **Michel Veyrier** is a wine specialist, an agricultural engineer, an oenologist and son of a grape-grower.

He created both **Vignobles Investissement** and the **Vinea Transaction** network.

After completing more than 200 transactions, Vignobles Investissement's "savoir-faire" is fully established ; **15 000 ha of land have been negotiated**, which represents investments exceeding 230 millions euros in the acquisition, renovation and modernisation of these vineyard estates.

**Our work-method** : professional ethics, independence and confidentiality.

**Our strengths :**

- # an exclusive knowledge of the properties
- # privileged contacts
- # an exhaustive catalogue of properties
- # a unique level of expertise and appraisal obtained after 16 years experience in vineyard transactions
- # an international team
- # respect of Loi Hoguet, professional card n° 2006/34/1367
